

**UK and USA Universities Guidance Counselling
at XIII LO
Meeting Announcement**

**Thinking about studying at Oxford,
Cambridge or any other British University?**

If you are a 2nd year Senior High School student and are thinking of going to university abroad (the UK, the USA) stop procrastinating and begin doing something about it now.

First of all, come to a meeting with **Mr. J. Skowroński (University of Oxford and other UK Universities Guidance Counsellor)** to learn about the choice of courses and universities, about the admission process, what it is like to study there, what it costs, whether it is something for you, the requirements, when to start and what to do, about the UCAS Centre and Admissions Testing Centre at XIII LO and anything else that is necessary to know in order to sail smoothly through the admission process.

The meeting will take place in **classroom 307** and will begin at **4.20 p.m. (after the 9th lesson)** on **Thursday (10.11.2016)**.
